

Donor Tube Stripper

Features

- **Machined aluminum**
- **Teflon rollers with reinforced pins**
- **Electroless Nickel Coating; durable with a chrome-like finish**
- **Ergonomic design**

The Fenwal Donor Tube Stripper is used to strip blood from donor tubing into the blood collection container.

Donor Tube Stripper

Our new machined aluminum donor tube stripper is lighter and stronger than our previous model. It features Teflon rollers with reinforced pins for durability.

Adjustable roller gap with 2.0 mm hex key and a 0.9 mm diameter gap gauge allows for proper settings.
